

Introduced by Senator Wolk

February 18, 2010

An act to amend Sections 1516 and 1526.8 of, and to amend and repeal Section 1596.972 of, the Health and Safety Code, and to amend Sections 11400.1 and 11462.7 of, and to amend and repeal Section 11402 of, the Welfare and Institutions Code, relating to crisis nurseries.

LEGISLATIVE COUNSEL'S DIGEST

SB 1214, as introduced, Wolk. Crisis nurseries.

Existing law provides for the licensure and regulation by the State Department of Social Services of community care facilities, including facilities that provide care for children. Violation of the provisions relating to community care facilities is a misdemeanor.

Existing law includes a crisis nursery, as defined, within the provisions regulating a community care facility. Existing law removes crisis nurseries from these provisions on July 1, 2011.

Existing law provides for the Aid to Families with Dependent Children-Foster Care (AFDC-FC) program, under which, pursuant to a combination of federal, state, and county funds, aid on behalf of eligible children is paid to foster care providers.

Existing law includes a crisis nursery among the facilities eligible to receive reimbursement under the above program when a child is placed in such a facility. Existing law requires the department, to the extent that federal financial participation is available, to set a foster care rate for crisis nurseries. Existing law removes crisis nurseries from these provisions on July 1, 2011.

This bill would delete the July 1, 2011, date from the provisions described above relating to crisis nurseries, thus indefinitely including a crisis nursery within the definition of a community care facility, and

among facilities eligible to receive reimbursement under the AFDC-FC program. By indefinitely extending inclusion of a crisis nursery of a community care facility, the bill would impose a state-mandated local program, by extending the expansion of a crime.

Existing law continuously appropriates moneys from the General Fund to pay for a share of the cost of AFDC-FC payments.

This bill would, instead, provide that the continuous appropriation would not be made for purposes of implementing the bill.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 1516 of the Health and Safety Code is
- 2 amended to read:
- 3 1516. (a) For purposes of this chapter, “crisis nursery” means
- 4 a facility licensed by the department pursuant to subdivision (j) to
- 5 provide short-term, 24-hour nonmedical residential care and
- 6 supervision for children under six years of age, who are either
- 7 voluntarily placed for temporary care by a parent or legal guardian
- 8 due to a family crisis or a stressful situation, for no more than 30
- 9 days or, except as provided in subdivision (e), who are temporarily
- 10 placed by a county child welfare service agency for no more than
- 11 14 days.
- 12 (b) Crisis nurseries shall be organized and operated on a
- 13 nonprofit basis by private nonprofit corporations or nonprofit
- 14 public benefit corporations.
- 15 (c) “Voluntary placement,” for purposes of this section, means
- 16 a child, who is not receiving Aid to Families with Dependent
- 17 Children-Foster Care, placed by a parent or legal guardian who
- 18 retains physical custody of, and remains responsible for, the care
- 19 of his or her children who are placed for temporary emergency
- 20 care, as described in subdivision (a).
- 21 (d) A crisis nursery may also provide temporary emergency
- 22 care to children under six years of age who have been taken into

1 the protective custody of, or are placed directly by, the county
2 child welfare services system that has assumed responsibility for
3 the care of the children.

4 (e) County placements, as described in subdivision (d), shall be
5 limited to no more than one-third of a crisis nursery's licensed
6 capacity. The length of stay for a county-placed child shall not
7 exceed 14 days unless the State Department of Social Services
8 issues an exception.

9 (f) (1) Except as provided in paragraph (2), the maximum
10 licensed capacity for crisis nursery programs shall be 14.

11 (2) Any facility licensed on or before January 1, 2004, as a
12 group home for children under the age of six years with a licensed
13 capacity greater than 14, but less than 21, that provides crisis
14 nursery services shall be allowed to retain its capacity if issued a
15 crisis nursery license until the time there is a change in the
16 licensee's program, location, or client population.

17 (g) (1) Each crisis nursery shall submit, in a format specified
18 by the department, a monthly report indicating the total number
19 of children placed in the program, designating whether each child
20 is voluntarily placed by the parents or legal guardians or placed
21 directly by county child welfare services and the length of stay
22 and age for each child.

23 (2) Each crisis nursery that accepts children placed directly by
24 a county child welfare services agency also shall annually provide
25 a summary report to the department within 60 days of the
26 subsequent calendar year. This report shall indicate the total
27 number of children placed directly by a county child welfare
28 services agency, the length of stay and age for each child, the
29 average length of stay for all of the children placed directly by the
30 county, and the reasons given by the county for the use of the crisis
31 nursery for these children.

32 (3) When placing a child in a crisis nursery, a county child
33 welfare agency shall inform the crisis nursery of the reason for the
34 selection of the crisis nursery as the placement choice.

35 (h) Notwithstanding Section 1596.80, a crisis nursery may
36 provide child day care services for children under the age of six
37 years at the same site as the crisis nursery. A child may not receive
38 child day care services at a crisis nursery for more than 30 calendar
39 days in a six-month period unless the department issues an
40 exception. A child who is receiving child day care services shall

1 be counted in the licensed capacity. A child who is receiving child
2 day care services, and who is a county placement, as described in
3 subdivision (d), shall be counted in the limitation on county
4 placements specified in subdivision (e).

5 (i) Exceptions to group home licensing regulations pursuant to
6 subdivision (c) of Section 84200 of Title 22 of the California Code
7 of Regulations, in effect on August 1, 2004, for county-operated
8 or county-contracted emergency shelter care facilities that care for
9 children under the age of six years for no more than 30 days, shall
10 be contained in regulations for crisis nurseries.

11 (j) The department may issue a license pursuant to this section
12 only to a facility that meets one of the following conditions:

13 (1) The facility is operating, or has an application on file with
14 the department to operate as of September 1, 2004, as a group
15 home for children under six years of age in any of the following
16 counties:

17 (A) Contra Costa.

18 (B) Nevada.

19 (C) Placer.

20 (D) Sacramento.

21 (E) San Joaquin.

22 (F) Stanislaus.

23 (G) Yolo.

24 (2) The facility, pursuant to standards developed by the
25 department by regulation, meets an urgent, significant, and unmet
26 need for temporary respite care of children under the age of six
27 years.

28 (3) The facility offers temporary emergency shelter and services
29 only to children under the age of six years who are voluntarily
30 placed by a parent or guardian, as set forth in subdivision (c), and
31 the facility does not accept county placements, as set forth in
32 subdivision (d).

33 ~~(k) This section shall remain in effect only until July 1, 2011,~~
